SUMMARY

Energetic and enthusiastic individual with a cheerful personality, strong adaptability, and a proactive attitude. As a third-year Computer Engineering student, I bring excellent communication skills, attention to detail, and a dedication to delivering outstanding service. Known for my resilience and hard-working nature, I thrive in dynamic environments and embrace challenges. My experiences in tutoring, event assistance, and guiding tours have equipped me to work effectively in team settings and manage responsibilities efficiently. Eager to apply my passion for customer interaction in a server position, I aim to provide every guest with an exceptional and memorable experience.
